

Just To Let You Know

Litmus A Freeman

[C F | Dm7 G] x 2

| C | F | Dm | G |
Nice weather for the time of year, did you have a good weekend
I went out, had a couple of beers, caught up with an old friend
He used to know you back in school & went out with your sister
Then he moved up to Liverpool, and he started to miss her

| Am | Dm | F | Em Em - G |
She never calls him though he's thinking about her
| Am | F | Dm7 | Gsus |
He gets by without her ...
| G (tacet) |
by the way this is

Chorus:

| C F | Dm7 G |
Just to let you know we were
talking a - bout you and

Just to let you know I
told him I'd call you and

Just to let you know I've been
thinking a - bout you oh and

Just to let you know I
| C | F F F C (tacet) |
love you!

[C F | Dm7 G] x 2

| C | F | Dm | G |
So now it's been more than / thirty years and I've been / wondering how you / are
I'm no longer drinking all those beers and a camper van has re - placed my car
I often wonder what might have been if you had called me back again
Maybe we could have been a real thing or maybe a now and then

| Am | Dm | F | Em Em - G |
But you never called me though I was thinking about you
| Am | F | Dm7 | Gsus |
So I got by without you ...
| Gsus | G | G (tacet) |
so once again this is

Repeat Chorus (with "again" at the end of each line)

Repeat Chorus with adlibs to finish
