 I went a - way and there I met a- nother One, and my summer was sweet

 Tried to ex - plain to the One I left at home but her pain was com - plete, but

Chorus

| **Em7** | / | **Cmaj7** **Bm7** | **Em7** |
 Karma, karma comes to everyone, in my life I have found
 Karma, karma comes to everyone, what goes 'round comes a - round

| **Em7** | / | **Cmaj7** **Bm7** | **Em7** |
 Break a heart, and yours will be broken as well You'll
 fall in love, with One that you shouldn't have fell Tell
 lov - ers lies, and you will have lies spoken too Speak
 on - ly truth, in the One verse you're writing for you

| **Cmaj7** **Bm7** | **Em7** | **Cmaj7** **Bm7** | **Em7** |
 If someone loves you, but you don't really feel the same, tell the truth, don't pre - tend
 | **Cmaj7** **Bm7** | **Am7** /**G** | **Dsus2/F#** | **Em7** |
 'cause if you don't, One day you'll feel empathy, karma will come in the end 'cause

Repeat Chorus

| **Em7** | / | **Cmaj7** **Bm7** | **Em7** |
 So now, I've loved One, she took every - thing that I gave She
 talked of love, but now she says she didn't really feel the same She
 shone for me, and I basked in the glow Ful -
 - filled, all my dreams, but then she had to go

| **Cmaj7** **Bm7** | **Em7** | **Cmaj7** **Bm7** | **Em7** |
 She went a - way, and now she's met another one, and I've felt two seasons of pain
 | **Cmaj7** **Bm7** | **Am7** /**G** | **Dsus2/F#** | **Em7** |
 She said that she would always, want me in her life but now I wonder... if I'll ever see her a - gain

| **Cmaj7** **Bm7** | **Em7** | **Cmaj7** **Bm7** | **Em7** |
 What you give out, will be given back to you, when alls said and done
 | **Cmaj7** **Bm7** | **Am7** /**G** | **Dsus2/F#** | **Em7** |
 Or you can blindly stumble through your lives in ignorance, re - minded again and a - gain that
