He builds towards the treetops to		save space on the ground	
<b>Em</b>		<b>Am7</b>	<b>D</b> <b>Em</b> /
But Soon the trunk is rotten through		He quickly pulls it down	
He really has developed well these		last few thousand years	
He's built up massive industries and		flown to other spheres, but	
He has'nt really changed that much		He has'nt learned at all	
He still makes all the same mistakes		He made when	he was small
