

And So, But You (Song For Jim)

[Litmus A Freeman](http://www.freemanmusic.org)

[Dm7 / Dm7/Bb / Dm7/A / G7 /C# /A] x 2

Dm7	/Bb	/A	G7	/C#	/A
So like me you're	drifting up and down,	so unsure but	deep inside so sound		
And so afraid of	letting others down	but so afraid that	you're the one who'll drown		

Dm7 /

A	/	Dm7	/		
And so you're	down the	loop goes round and	round		
And up a -	gain when	you inside are	found		
And happy	now the	truth is so pro -	found		
BbMaj7	/	A7	/	/	/
And being	true is	best for you and	all	a -	round

Dm7	/Bb	/A	G7	/C#	/A
And doubt sets in when	consciousness intrudes	but love you crave	and all the world approves		
but what of them	not for you to prove	except to you and the	life to which all this alludes

And so you're	down the	loop goes round and	round		
And up a -	gain when	you inside are	found
