There are no  
Easy answers  
How can I  
Begin to tell

I must have known you in  
Another life  
How else could I  
Know you so well

I need to share my thoughts with you  
Want to let the love flow through  
Take it it belongs to you

Can you explain  
The way I feel  
Please help me  
Understand

How can you make me feel  
The way I feel  
With just a gentle  
Touch of hands

I need to share my thoughts with you  
Want to let the love flow through  
Take it it belongs to you

I know it can't be  
This time 'round  
The way we'd both  
Like it to be

But I'll meet you in  
Another life  
And you'll spend that life  
With me
