

# Break Free With The U.C.C.

---

[Litmus A Freeman](#)

The 'slavin' (7) day week  
Makes you feel weak  
And so, by the weekend you're weakened

But if you take a peak  
At your hands you can seek  
The perfected ten days of the Decan

The Decan's not 'lame'  
All ten days are the same  
So you will not feel weakened in weak daze

You can choose if you're wise  
Each day when you rise  
To do what your higher self says

You can work, rest or play  
As you feel, each new day  
You can do things or you can just 'BE'

So use the new 'UCC'  
And with its Decans you'll see  
From the s7avin day weak you'll BREAK FREE!
