

Cloak and Dagger

[Litmus A Freeman](#) / Cliff Coates

C#7/#9	F#7/#9	Ab7/#9	C#
C#m7	F#m7	Abm7	C#
I've been waiting	For so long now	Not moving forward but	not drifting back
Life in limbo,	Working go slow,	Waiting for Jimbo to	make up his mind
Anticipation,	Mass frustration,	No creation, wher -	ever I look
No news is bad news,	I'm doing what you do,	There's nothing from you but a /	tissue of lies and all this

CHORUS

C#m7	F#m7	Abm7	C#
Cloak and Dagger	Drives you madder	I wish they'd tell me, just	What's going on
Bbm7	A7	B7	
Let's get on with it	There's nothing wrong with it	You just gotta be strong and	
C#7 / / / / /	C#7/#9	F#7/#9	Ab7/#9 C#
KicK it KicK it In - to	Life		

C#m7	F#m7	Abm7	C#
Shit and sugar,	Slow-mo talkback,	Chinese whispers, make no sense to me	
Rumour factory,	in mass production,	Full time corruption,	I've had enough of all this

REPEAT CHORUS

Instrumental

[**C#m7** **F#m7** **Abm7** **C#**] x 2
