If I ever get the chance I'm gonna take it, If you ever let me in I won't come out
I'm / making you a promise help me / break it, you / screwed me up inside & / filled my world with doubt

Em / **C** **D**
Where do we go, where do we go, where do we go from here
Em / **Am** **Bm**
I long for you, But when your near, I don't know where to look, I don't know where to look

Em7 Bm7 Am7 D/F#

Em **Am** **Bm**
If I ever feel the need it's only for you, and the longing lingers on and can't come out
The / feelings getting stronger help me / break you
You / make me laugh, you make me cry, You / make me scream, You / make me shout

Em / **C** **D**
Where do we go, where do we go, where do we go from here
Em / **Am** **Bm**
I long for you, But when your near, I don't know what to do, I don't know what to do

Em7 Bm7 Am7 D/F#

Em / **Am** **Bm**
If you ever need my love I'm gonna give it, If you ever open up I'll open out
This / feeling's just for you why won't you / take it, can't / keep it all inside, I've / got to let it out

If you / ever change your mind I'll be / waiting, If you / listen to your heart you'll hear my / voice
Mo / rality, resolve they're slowly / breaking I'm / giving me to you, I'm / giving you the choice

Em / **Am** **Bm**
I know where we go, know where we go, know where we go from here
Em / **C** **D** **Em**
I want you I know you want me too That's the dilemma baby.....
