

# Election Rejection

---

[Litmus A Freeman](#)

Here we go again  
There goes the next five years  
Same old shit again  
More tax on fags n beers

But don't you worry guys  
We've sweeteners in the pot  
Tax breaks for the rich  
Paid for by you lot

I know you ain't seen me lately  
But I'm very keen to chat  
At least until the election  
Then that's the end of that

You've heard it all before  
But we're hoping you've forgot  
Same promises for sure  
Quickly left to rot

We're pleading poverty  
For anything you need  
But sitting on a big war chest  
Appealing to your greed

Just vote and then we'll go away  
And give you more T.V.  
We're banking on your ignorance  
It's election time you see!
