

Favourite Book

Litmus A Freeman / Cliff Coates
www.projectfreeman.com

She came into the Library
Looking for an open Book
The one she borrowed last time
Came with a Jacket she mistook

Bridge 1:

She Read it Cover to Cover
Looking for a lover to love her
Woody by words

She skipped my Introduction
And went straight to Chapter One
And what she found there made her
Read the other Twenty One

Bridge 2:

She Read me Cover to Cover
Looking for the lover to love her
I'm glad she came back for another
With better Words

Chorus:

Now I'm, On Loan, I'm her Favourite Book
She keeps, Me open, I'm her Favourite Book
I'm well, (hung!) Overdue, I'm her Favourite Book

Paragraphs mean nothing
When Words get in the way
My Sentence is completed
This Book's found a new Library

Repeat Bridge 2

Repeat Chorus

I'm still, On Loan,
I'm her Favourite Book
She never, Puts me down,
I'm her Favourite Book
She's never, Taking me back,
I'm her Favourite Book

Oh Yeah!....
