

# Free Palestine

---

[Litmus A Freeman](#)

We've got to Free, Free Palestine  
Now it's time we stop this crime  
Free, Free Palestine  
With LOVE we hold the line

We've got to Free, Free Palestine  
Brothers, sisters, yours and mine  
Free, Free Palestine  
With LOVE we hold the line

We've got to Free, Free Palestine  
Their world is ours, it's yours and mine  
Free, Free Palestine  
With LOVE we hold the line

We've got to Free, Free Palestine  
Arm in arm with LOVE we shine  
Free, Free Palestine  
With LOVE we hold the line

We've got to Free, Free Palestine  
Their pain is ours, it's yours and mine  
Free, Free Palestine  
With LOVE we hold the line

Their pain is yours and mine  
Now it's time we STOP this crime  
In the light of LOVE we shine  
And with LOVE we hold the line  
'till we, we Free, Free Palestine
