## Chorus:

Happy New Day – the 99% are here to say  
Happy New Day – we're gonna take the world back today  
Happy New Day

When we were kids, we used to go out to play all day  
But as we grew up, loads of other things got in the way  
Given too much to 'DO', forgot about taking time to 'BE'  
We were led astray, became slaves to the 1% and

We.... forgot that we were all born  
FREE.... but now we're starting to see

## Repeat Chorus

You know, we are all one, sharing the ship "Humanity"  
And infinite LOVE, connected via singularity  
We came here to learn, the lesson of unconditional LOVE  
But this planet called earth, has been taken by those who live by

Greed.... but we've got 7 billion to  
Feed... now we know what we need!

A Happy New Day – the 99% are here to stay  
Happy New Day – we're gonna take the world back today  
Happy New Day

we ain't gonna pay 'The Banksters' debts NO WAY!  
we're gonna stop 'The Usury' today  
we're here to tell 'The Soldiers' we don't wanna play  
we're gonna take your bombs and guns away  
we're here to tell 'The Taxman' "...we ain't gonna pay..."  
you can tax 'The Corporations' millions a day  
we ain't gonna go to work, we're going to play  
we're gonna put the 'In Tray' straight in the 'Out Tray'

Happy New Day.... SING!! Happy New Day, even if you think this song is "GAY"! SING!!

Happy New Day, we're gonna take the world back today  
HAPPY NEW DAY!
