

Hey (Gotta Get Away)

Litmus A Freeman
www.projectfreeman.com

So I'm sitting here
Dog and bone
Another claim to fame
Or claim to blame I'll never know

Another box bound berk
From Berk In 'Ead
Mourning his precious wheels
Why don't he fuckin' walk instead?

Hey...

The piles of fallen trees
Have reached my knees
And all the overtime for ever more
Won't clear the floor, there's always more

Many more like me
Have felt this way
But still they stay,
I think it's time to leave and seize the day!

Hey...

World's in the waiting
Time's in the change
But I'm living in limbo land in the chains...
Of every day the same

Time to get away
Alive again
Feel the fear and do it anyway
If not today then when?

Hey...

Hey...

(Gotta get away!)
