

How Long

Stella Ager / [Litmus A Freeman](#) / Cliff Coates

[**B9** **Em7** **F#m7** **B9**] x 2

B9 **Em7** **F#m7** **B9**
How Much, do you really see of me
Em7 **F#m7** **B9**
if you ever try to look with - in

B9 **Em7** **F#m7** **B9**
How Much, would you like to peel away
Em7 **F#m7** **B9**
search beneath the layers of my skin

Em7 **A9sus** **F#m**
Sensing this my secret soon to lose
Em7 **A9sus** **G** **D** **A**
Coiling and un-coiling in your hand
Em7 **A9sus** **F#m** **G**
Heat is warning forcing me to choose
Em7 **A9sus** **B**
Scale the promise, Show you understand

B9 **Em7** **F#m7** **B9**
How Long, Have I hidden here in - side my shell
Em7 **F#m7** **B9**
covered corners tried to slide again

B9 **Em7** **F#m7** **B9**
Too Long, now the moment comes, on it I dwell
Em7 **F#m7** **B9**
Shake the serpent, wake and tell me when

Em7 **A9sus** **F#m**
Slowly stand and sing the newest song
Em7 **A9sus** **G** **D** **A**
Free the fire-born pheonix from the dead
Em7 **A9sus** **F#m** **G**
What I once was, floats apart is gone
Em7 **A9sus** **B**
Lost Layers linger only in your head
