

Knowing

[Litmus A Freeman](#)

Knowing nothing
Nothing known
Experience something
All alone

Wisdom comes
When once they merge
Moving forward
Old to purge

Why the need
To structure, rhyme?
Just write freely
All the time

But I find it hard
To let that go
My structured Virgo ♍
Plans to know

Knowing nothing
Nothing known
I know nothing
On my own

We know nothing
Nothing real
Let go of 'knowing'
Hold on to 'feel'

Feel emotion
Let it be
Don't think of feeling
Feel to See!
