

Lolly Pop

[Litmus A Freeman](#)

[E /Eb B E /Eb B D /C# A E /Eb B] x 2

E /Eb B E /Eb B
I don't know why I hang around the
D /C# A E /Eb B
rooftops licking on a lolly pop and

E /Eb B E /Eb B
I don't know why I lick a lolly
D /C# A E /Eb B
lavishly a little like an ice cream

A B E C
Cos up on the roof you can see every star and it keeps you away from the people you
A B E C
are Close to the sky like a man in a cloud, looking in - side and laughing out
A B (tacet) E /Eb B E /Eb B
loud Feeling proud of your lolly pop

E /Eb B E /Eb B
I can see the flavour of my
D /C# A E /Eb B
lolly pop with a megaphone and

E /Eb B E /Eb B
I like to feel like I'm floating on a
D /C# A E /Eb B
mushroom in a packet full of jelly tots

A B E C
Cos lolly's are cool and jelly's are great hold your lolly a - loft while you suck on a
A B E C
flake Dip your lolly in cream it's a heavenly sight the red and the cream and the cream and the
A B E C
white Have a lick and a suck and a suck and a bite in the light of the day and the dark of the
A B (tacet)
night feeling proud Of your

E /Eb B E /Eb B E /Eb B
lolly pop of your lolly pop

E /Eb B E
Lolly pop
