

# Mother's Pride

[Litmus A Freeman](#)

[ **Emaj7/F**                      **Emaj7**                      **Emaj7/B**                      /                      ] x 2                      No

**Emaj/F**                      **Emaj7**                      **B\***                      /

Stimulant can                      make me feel the                      way you do my                      inside,                      your

Simulant can                      light up my                      in - side

Inbred terms I                      guess your sun has                      blest me on the                      inside                      I

Guess your sun has                      blest my mothers                      pride                      But as

**G\***                      **F#\***                      **Bmaj7**                      /

My Corona                      reaches new Lowes                      I don't mean the                      pop man

Your Corona                      shines on all of                      man                      My

Orange nylon                      carpet doesn't                      quite fit to the                      edges                      My

**Emaj7/F**                      **Emaj7**                      **B\***                      /

Nylon carpet                      fits your                      cara - van

**B5**    **F#5**    **A5**    **E5 F5 F#5**                      **B**    **F#5**    **A5**    **E5**    **F#5 F#5**

**B5**    **F#5**    **A5**    **E5 F5 F#5**                      **B**    **F#5**    **A5**    **E5**    **F#5 F#5**

**E5 x 4**

**Emaj/F**                      **Emaj7**                      **B\***                      /                      And

Cinematic                      teak explores the                      patterns in the                      middle                      your

Cinema                      ex - plores expectant                      ground                      My

Stretchy nylon                      covers cover                      up the shame be - neath them                      Your

Nylon covers                      up the middle                      ground                      I

**G\***                      **F#\***                      **Bmaj7**                      /

Play I spy and                      all your things are                      listed in my                      picture                      So

Eye can spy the                      things that you re - call                      You

Played with me and                      drew me in                      e - nough to know I wanted                      E-

**Emaj7/F**                      **Emaj7**                      **B\***                      /

-nough but not e -                      nough of you at all                      E-

**Emaj7/F**                      **Emaj7**                      **B\***                      /

-nough but not e -                      nough of you at                      all                      E-

-nough but not e -                      nough of you at                      all                      E-

-nough but not e -                      nough of you                      e - nough but not e - nough of you                      E-

-nough but not e -                      nough of you at                      all                      E-

-nough but not e -                      nough of you at                      all                      E-

-nough but not e -                      nough of you                      e - nough but not e - nough of you                      E-

-nough but not e -                      nough of you at                      all                      E-

-nough but not e -                      nough of you at                      all                      E-

-nough but not e -                      nough of you at                      all                      E-

**B5**    **F#5**    **A5**    **E5 F5 F#5**                      **B**    **F#5**    **A5**    **E5**    **F#5 F#5**

**B5**    **F#5**    **A5**    **E5 F5 F#5**                      **B**    **F#5**    **A5**    **E5**    **F#5 F#5**

**E5 x 4**

**Repeat Verse Bridge and Chorus as instrumental**
