The thought of you can put a look in my eye,  
I share it with you face to face /  
A look re - turned from you can mystify, or justify my  
place / /  
A touch from you can rush the blood through my veins,  
and flush e - motion into me /  
'The Word' re - learned with you can make me high and terrify my  
soul / /

| F | G  
I shouldn't share this with you, it puts you one up on me  
If I could get through to you, there's so much you would see but

| Am | G6/9 | F6/9 | G  
you, screw me up in - side and there's  
nothing I can do, there's nowhere I can hide from you

[Am | G6/9 | F6/9 | G ]

| Am | G6/9 | F6/9 | G  
The taste of you can drive my senses in - sane,  
I hunger for you more and more.. (and more..)  
I feed on scraps of you I'm losing weight and choosing hate, or  
love / /

| F | G  
I shouldn't share this with you, it puts you one up on me
