She Wouldn't Do Me

Music by Litmus A Freeman / Words written with Cliff Coates

Intro:

```
[      E E E   | B           | /    E E E   | B           | /     E E E   ]

[|     E E E   | B           | /    E E E   | B           | /     E E E   |
| D/B         | E/B         | G/B          | A/B    ] x 2
```

Verse:

```
       | B           | A           | E           | G           A       |
I went   out of my     head for a    night   just   didn't   feel    right
couldn't see,    wasn't  me    or how I               thought it would be
without  You            oo            oo        didn't feel how I      did
       | B           | A           | E           | /                   |
about    You            oo            oo
```

Bridge:

```
| G                   | A           | B           | B7                  |
        She led me   on      into a   world
| G                   | A           | E7          | /(tacet)            |
        Where girls do boys and boys do girls
```

Chorus 1:

```
       E  E      E   | B           | E
But     She Would - n't  Do Me
        She Would - n't  Do Me          /
       E   E     E   | D           | E           | G           | A
        She could see   through me          all the  way from me to  you
```

Verse:

```
       | B           | A           | E           | G           A       |
I fell   in     to my   head    for a   rest       a  place you de -  test
all the  things   that you are      and the  things    that I am when I'm   not within
```

Bridge:

```
| G                   | A           | B           | B7                  |
you                     oo            oo                              I
| G                   | A           | E7          | /(tacet)            |
Know          what I   wanted     to  do                         But
```

Chorus 2:
(Repeat Chorus 1) Plus:

```
       E  E      E   | B           | E
        She was    a   teaser
        I    could - n't  please her
       E    E    E   | D           | E           | G           | A           | B      | /      |
I was   Down on  my   knees ah                     All      the   way to         you (drop out)
```

Repeat Intro - Instrumental

Repeat Last Chorus

```
| G      | /      | A      | /      | B      | /      |        Adlib E – B riff to end
All          the way          to  You
```
