A silly game  
No cry in shame  
No lost in love alone  
What's the fuss  
Just curious  
To look, to turn the stone

Why can't I  
Just pass you by  
And weave my weary way  
Oh no matter  
How I try  
I find I need to play

My silly game  
No crying shame  
No lost in love alone  
What's the fuss  
Just curious  
To look beneath the stone

I know  
What I know  
I know

It's been a while  
Since I saw the smile  
That time cannot erase  
No big deal  
The way I feel  
But I am still amazed

At this silly game  
No crying shame  
No lost in love alone

What's the fuss  
Just curious  
To look, to turn the stone

I know  
What I know  
I know

It's just a  
Silly Game
