I will tell you a story		a-bout a world living a lie		where

Em	**Bm**	**Fmaj7**	**Cmaj7**
everything is fake		and made to keep us sleep	walking

G	**Em**	**Fmaj7**	**Cmaj7**	
There are screens	everywhere	to keep our minds busy		it's

Em	**Bm**	**Fmaj7**	**Cmaj7**
Hard to know what we can trust	what's	genuine? I -	llusion?

Foolish pride	Zombified! Un -	satisfied in a	dream that died

Fmaj7	**Cmaj7**	**Gsus**	**G**
Scared…. Night -	mared	Unaware what	took us there

G	**D**	**Fmaj7**	**Em**
Swept away	led astray	In a daze, wandering	the screen maze

Fmaj7	**Cmaj7**	**Gsus**	**G**
Fodder for their money war		A genuine...	I - llusion

G	**Em**	**Fmaj7**	**Cmaj7**
Movies used to fake the news	In	fiction, fact to	mind distract

Em	**Bm**	**Fmaj7**	**Cmaj7**
Who am I?	What are we?	Wandering in	Apathy

G	**Em**	**Fmaj7**	**Cmaj7**
Is this real?	Is this now?	Drugged the milk of their sacred cow	

Em	**Bm**	**Fmaj7**	**Cmaj7**
Drink it down	take a fix	Made to keep us sleep	walking

But I know it's fake, my mind's awake		so my first step I'm	gonna take

Fmaj7	**Cmaj7**	**Gsus**	**G**
To-wards the light, with second sight		And wake from my sleep	walking

G	**Em**	**Fmaj7**	**Cmaj7**
Wake, from my sleep walking…		And wake from my sleep	walking…

Em	**Bm**	**Fmaj7**	
Wake, from your sleep walking…		Wake………………..
