|      |            |             |      | B    | Abm |

|  |                            |                    |                    |
|--|----------------------------|--------------------|--------------------|
| <b>E</b>                                     | <b>Asus2</b>               | <b>E</b>           | <b>Asus2</b>       |
| Some- times I                                | rush                       | into things too    | fast maybe         |
| Scared that they won't last, I gotta grab it | now                        | now                | my                 |
| new things                                   | con -                      | sume my every      | thought and I for- |
| -get what I was                              | taught                     | the last           | time               |
| <b>B7</b>                                    | <b>/</b>                   | <b>A</b>           | <b>E</b>           |
| I  | see how                    | sweet things could | be                 |
| But I  | want it now & drag you all | along with         | me                 |
| Big  | change                     | takes              | gy                 |
| <b>F#m / / /</b>                             |                            |                    | <b>A</b>           |
| down,  | and things will come       | 'round             | to                 |
| <b>E</b>                                     | <b>Asus2</b>               | <b>E</b>           | <b>Asus2</b>       |
| Be   |                            |                    | how                |
|  |                            |                    | their meant to     |

|                    |                      |                    |                        |
|--------------------|----------------------|--------------------|------------------------|
| <b>E</b>           | <b>Asus2</b>         | <b>E</b>           | <b>Asus2</b>           |
| I'm                | so                   | im -               | pulsive, I             |
| All in-to the      | bin                  | and start a -      | gain                   |
| I                  | give                 | so                 | much of                |
| Prove the things I | say                  | can all come       | true                   |
| <b>B7</b>          | <b>/</b>             | <b>A</b>           | <b>E</b>               |
| You                | didn't               | want anything to   | change                 |
| But off I          | go like a man that's | mad, obsessed de - | ranged, and the me you |
| Love               | has                  | all been re-ar-    | ranged                 |
| <b>F#m / / /</b>   |                      |                    | <b>Asus2</b>           |
| down,              | and things will come | 'round             | to                     |
| <b>E</b>           | (and live in the     | now)               | how                    |
| Be                 | <b>/</b>             |                    | their meant to         |

|                    |                   |                            |            |
|--------------------|-------------------|----------------------------|------------|
| <b>C#m7</b>        | <b>F#m</b>        | <b>B</b>                   | <b>Abm</b> |
| In my              | head I see things | three months down the line |            |
| But by the         | time I get there  | I've spent too much        | time       |
| Trying to make the | future now that   | I'm burnt out in-          | side       |
| <b>A</b>           | <b>/</b>          | <b>F#m</b>                 | <b>B7</b>  |
| Back,              | to the real       | me                         | got to get |
|                    |                   |                            | So         |

|                   |                       |                   |                     |
|-------------------|-----------------------|-------------------|---------------------|
| <b>E</b>          | <b>Asus2</b>          | <b>E</b>          | <b>Asus2</b>        |
| I                 | want                  | to                | have a life with    |
| -get that we are  | two different         | people            | you                 |
| I                 | see                   | I've              | changed too much to |
| coped with my own | room, through all the | changes           | soon                |
| <b>B7</b>         | <b>/</b>              | <b>A</b>          | <b>E</b>            |
| I've              | tried to              | please you all as | much as             |
| I                 | could                 | and               | ended up on         |
| Not me            | I can't con -         | trol all the      | little              |
| <b>F#m / / /</b>  |                       | <b>Dsus2</b>      | <b>Asus2</b>        |
| down,             | and things will come  | 'round            | to                  |
| <b>E</b>          | (and live in the      | now)              | how                 |
| Be                | <b> Asus2</b>         | <b>  x 3</b>      | <b>E.....</b>       |
|                   |                       |                   | their meant to      |
