Sometimes

Litmus A Freeman / Cliff Coates

```
There are
D           Bm      F#m     /           G           Em          A7      /
times when I     feel like screaming    there are   times, I could   leave it all be -   hind
F#m         /           Bm      /           F#m         /               Bm      /
She makes me     feel like leaving,                Then gives me something to be - lieve in   it's those
G           Em          A7          /
times    she     makes me feel alive
```

Chorus:
```
D           G
Sometimes she    makes me happy,
Sometimes she    makes me smile
D           A           D       Dsus    D
Sometimes she    makes it all worthwhile
```

```
There are
D           Bm          F#m     /           G           Em          A7  /
ways that she     makes me        want her  there are means that she uses to pers -uade
F#m         /           Bm      /           F#m         /               Bm      /
  She drives me to      dis -   traction,               When all I  need is satis -   faction   it's those
G           Em          A7          /
times    she     tears my heart a - part
```

Repeat Chorus

```
Em              /           Em/D            /
  She knows    what I'm after,         she knows   how to turn me
CMaj7           /           B               B7
on,     some - times I want to    touch her too much
Em              /           Em/D            /
  She tells me    where I can touch,    and keeps me hanging on all
CMaj7           /           B               B7
night,    should I try again or     do 'the right thing'
```

```
There are
E           C#m         Abm7    /       A           F#m         B7      /
weeks I can't    tell how she's    feeling,   there are days she can    catch me off my guard
Abm         /           C#m     /       Abm         /               C#m     /
      I try to help her     love me,               I try to make her     want me    but at
A           F#m         B7          /
times    she     makes me try too hard
```

```
E           A           E           A
  Sometimes she makes me happy,    Sometimes she makes me smile
E           B           Abm         A
  Sometimes she makes it all worthwhile.......
E           A           E           A
  Sometimes she makes me happy,    Sometimes she makes me smile
E           B           E           A A     E       Emaj7
  Sometimes she makes it all worthwhile
```
