Sorry  
Sorry that I fell in love with you  
I'm really Sorry  
Sorry if I fell in love  
I didn't mean to  
I didn't mean to fall in love with you  
So I'm sorry  
Sorry if I fell in love

You could say it was fate  
Don't wait for fate it turns up late  
If you go on that date  
You could fall in love

But I'm sorry  
Sorry that I fell in love with you  
I'm really sorry  
Sorry if I fell in love

Love is like a bus  
None for Ager's then three at once!  
If you don't know who to trust  
You could fall in love

So I'm sorry  
Sorry that I fell in love with you  
I'm really sorry  
Sorry if I fell in love

Love's the drug all right  
One fix and your hooked for life  
If you get kissed tonight  
You could fall in love

So I'm sorry  
Sorry that I fell in love with you  
I'm really sorry  
Sorry if I fell in love

I didn't mean to  
I didn't mean to fall in love with you  
So I'm sorry  
Sorry if I fell in love  
Sorry if I fell in love  
Sorry if I fell in love
