I need to know  
Pathfinder please

Lawless and lame  
Bad fields abound  
I stutter on a summer silence and  
Mistily mine  
Man in the mud

Please...

Show me the way  
Pathfinder please

Halt on the hills  
Straddle the street  
And suffer in a summer silence and  
Moodily mine  
Hang on your heels

Please...

Languid and listless  
Debenham blisters

Fretting frustration  
A buried cremation

Stutter in silence  
Birth to enlighten

Please...

Show me the way  
Pathfinder please

Halt on the hills  
Straddle the street  
And suffer in a summer silence and  
Moodily mine  
Hang on your heels

Please...
