

The Universal Constant

[Litmus A Freeman](#) / Cliff Coates

Em7	A13	A9	x 2
Em7		A13	A9
Time	Time is an	endless ring	and
We	drift in and	out	and
Cmaj7		Bm7	
Now	now is the	only place	where
Em		Asus2	
We	can challenge	doubt	
Em7		A13	A9
Life	life is for	living	through
Life	we will find	out	that
Cmaj7		Bm7	
Love	love is the	only thing	that
A7sus2		Dsus4	D
We	can't live with	out	

Chorus:

	G		A7sus2
It's the	Universal Constant	that	weaves it's way through time
	Cmaj7+g		Dsus4 D
Like	Time it's bounds are endless	making	human hearts entwine
	G		A7sus2
It's the	Universal Constant	makes	Life worth living for
	Cmaj7+g		Bm7
It	Bonds us all together	and	opens all the doors, all the doors

Em7	A13	A9	x 2
Em7		A13	A9
Past	Past is what's	been and gone	what's
Passed	leaves us in no	doubt	that
Cmaj7		Bm7	
Love	love is the	only thing	that
A7sus2		Dsus4	D
We	can't live with	out	

Repeat chorus

Em7	A13	A9	x 2	(Reggae style)
------------	------------	-----------	------------	-----------------------

[**Em** **D/F#** **G** **Asus2**] **x 2**

Repeat chorus x 2

	Em7	A13	A9	x 4
All the	doors			
And it's	called Love			
It's	called Love			
It's	called Love
