Close my eyes, the haze it takes me to a place of mine
No one here would dare awake me as I'm creating space in time

D **A** **D** **A**
Everyday for me's a Sun day every time's an after - noon
D **F#m** **Bm7**
All the words are out there drifting in - to my

Through the window chords are calling searching for a melo - dy
No song of mine could now awake me from un-forgotten memo - ries

D **A** **D** **A**
Every song for me's a Sun day every thought an after - noon
D **C#m** **Bm7**
Every word I write can free me If I seduce it with a

But I won't sleep until I find a pen and paper, ask my gui - tar to find the notes
A /D **Bm7** **E7** **A**
And after midnight early Friday morning my song be - comes and off she floats

A **D** **Bm7** **E7** **A**
Yeah after midnight my song becomes the moment now and off she floats

Bm7 **E7** **A** /
My song be - comes the moment now
My song be - comes the moment now
