You're trying to be like What they want you to be
Em A7 C G G /F#
You're trying to see all of the things they want you to see
Em A7 C Em
You're trying to give the time, the Time they want you to give
Em A7 C D7 G
You're trying to live the life The life they want you to live

Em A7 C G G /F#
But I can see The way The way you're feeling to -day
Em A7 Am7 D7 Am7 D7 Am7 D7 G
And there's no way You really believe You'd love to retrieve The you that you used to be
Em A7 (tacet) C D G
But as for me (And Dave) I'm trying to be like me

[**Em A7 C G G /F#**]

Em A7 C Em
You're trying to make me Another version of you
Em A7 C G G /F#
You're hoping that you'll feel better If I'm a hypocrite too
Em A7 C Em
You're preaching your gospel The one they taught you to read
Em A7 C D G
But it's dodgy not holy ground When you don't really believe

Em A7 C G G /F#
And I can hear the words The words that sound so absurd
Em A7 Am7 D7 Am7 D7 Am7 D7 G
So absurd Coming from you, The you that I knew The you that you used to be
Em A7 (tacet) Am7 D7 G
But as for me (And Dave) I'm trying to be like me

Em A7 (tacet) Am7 D7
But as for me (And Dave) I'm trying to be like

Am7 D7 Am7 D7 G G /F#
Happy to be like The me that I know I can be
