Well it	C+g seems that I have	Am7 been here	F+g so many times be - fore
Maybe	C+g this time will be	Am7 different,	Dm7 but I worry I'm not sure
But then I	C+g always seem to	Am7 worry about	F+g something in my way
Even	Em when my life is	Am perfect, because of	F G something that I crave
Because of	F+g something I've been	C+g binging on	F+g then I binge on worry
Then I	Dm7 need to find the	Am patience	F 'till the worry is not you
And I	F+g know we really	C+g mean them	F+g All the things we say
So I'll	Em try to find the	Am patience	F G To wait un - til that day
When	C+g all the things we've	Am7 talked about	F+g are here without a doubt
With -	C+g out misunder -	Am7 standings,	Dm7 when we have worked it out
When we've	C+g broken all the	Am7 cycles that have	F+g held us back so far
In our	Em lives as they've been	Am separate,	F G the lives we've lived a - part
When	F+g we can chill to -	C+g gether,	F+g en - joying all the days
With -	Dm7 out repeating	Am7 cycles	F+g that have stood there in our way
When	F+g we can both be	C+g happy,	F+g to - gether and a - lone
And	Am often share the	Em open road	Em+g 'Cause that's where
we both be -	[C+g long	Am7	F+g that's where
we both be -	C+g long	Am7	F+g G
